Description of business

Hamilton Hayes Henderson Architects are one of the Gold Coast’s leading Architectural practices, established over 25 years ago and enjoying long-term relationships with local and corporate clientele. The company does not have a “signature” style, which will enable you to recognise their work, approaching every project with a specific response to the site, the design brief, the Client’s wishes and expectations, the budget and the required financial yield of the project.

The directors of the practice have made a conscious decision to “specialise in not specialising”. This means that a wide variety of project types flow through the office, maintaining freshness and enthusiasm in the staff and enabling cross-pollination of ideas between project types.

Some recent projects members may recognise are:
☼ Residence, 59 The Corso, Isle of Capri, ☼ Residence, 1 Via Roma, Isle of Capri,
☼ Delfin House and Lake Café, Varsity Lakes, ☼ Millennium Tower, Twin Towns Services Club, Tweed Heads, ☼ Austar Call Centre, Robina, ☼ Billabong International Headquarters, Burleigh Heads, ☼ Gardens On Lindfield Retirement Village, Helensvale, ☼ McDonald’s Helensvale and Nerang renovations, ☼ Cult Surfware headquarters, Burleigh Heads, ☼ Dune Street residence, Fingal (RAIA Gold Coast House of the Year 2005), ☼ Harmony Apartments, Runaway Bay.

(c) elimination of unnecessary costs.

LEA Insurance Brokers are members of National Insurance Network, (IBNA) and a National Brokers Association (NIBA), which results in up to date products and advice at fair premiums.

As Brokers, they will represent you, the insurance purchaser, and not the insurance company, and will offer impartial advice on house, motor vehicle, business and all insurance needs.
